11th January 2018

Dear Parents/Carers

## Homework Projects

On the reverse of this letter you will find the next set of homework tasks for your child. Thank you and a huge well done to everyone who participated last term.

The school website has a link to support you. Please visit [www.worksoppriory.org.uk](http://www.worksoppriory.org.uk) and click on the HOMEWORK button on the front page. This will explain what we are doing and how you can be involved.

Children need to complete a minimum of three tasks in order to gain their initial reward and at least five to have the additional treat.

We would like children to bring in their project work on the week beginning 12<sup>th</sup> March so that we can have a Class Exhibition on Thursday 15<sup>th</sup> March from 2.30pm - 4pm. Children will be able to take their project work home again on Friday 16<sup>th</sup> March, with some special pieces chosen to go on display around the school.

It is really important that you get in touch with your class teacher if there is anything you would like explaining, if you want to check that the quality of the work is good enough, or if you or your child have any other concerns about the projects. Resources such as card, paper etc. are available free of charge from school. There will be opportunities on Wednesday 14<sup>th</sup> February and Wednesday 28<sup>th</sup> February for children to bring in any project pieces so that teachers can advise on any further work that might be needed. Children are also able to go to Homework/Project Club on Monday lunchtimes for further support.

We are sure that the children will be keen to impress and, whilst project work is neither compulsory nor competitive, we are hoping that once again we will see some very high quality pieces of work. So far, treats for doing great quality projects have included pizza making, visiting a climbing wall, watching Sheffield Steelers play ice hockey, enjoying a visit to an ice cream parlour and receiving gift vouchers to spend. It would be lovely to see even more of our children taking part this term!

Yours sincerely

Mr Abbott  
Headteacher

# Year 1 Homework Project

- ✓  Interview a grown-up about their favourite toy from when they were little and record their answers. You may present this information how you wish. (Linked to Knowledge Organiser)
- ✓  Write a short story where a toy comes to life.
- ✓  Design and make a model of a new toy. Label your design. (Linked to Knowledge Organiser)
- ✓  Create a poster advertising a toy (*it may be the same toy you have designed and made a model of!*)
- ✓  Choose a toy, take photographs of them in lots of different places and make a scrapbook of their adventures.
- ✓  Choose one of the materials that we have been studying in science (wood, plastic, metal, paper or glass) and take photographs or draw pictures of objects that are made out of that material. Present your pictures in whatever way you wish. (Linked to Knowledge Organiser)

Please ask Miss Hayes if you have any questions or need any resources from school.

We expect all children to take pride in their work and good presentation is therefore essential. Work should be neatly and carefully completed. Best handwriting and positive attitudes please! Written work will usually be completed in pencil but can be enhanced through the use of illustrations, borders, ICT or collage.

Thank you.
